## Cochlear Implant Emergency Card for emergency services

Please make sure that my cochlear implant / implants (CI) is/are correctly fitted to my ear/s (see illustration).

I am wearing a cochlear implant/implants. In an accident, e. g. through impact, my speech processor/s might have been torn from my ear/s or be damaged. **Without my CI I am deaf and cannot communicate with a doctor.**  
Warning! An examination using an MRT is not generally possible! Please contact my Ear, Nose and Throat clinic:
